STELLA MARIS (FORMALLY THE APOSTLESHIP OF THE SEA)

Every year churches around the world celebrate Sea Sunday. It is a day for people to come together to pray for seafarers and fishers and thank them for the vital role they play in all of our lives.

St. Benedict (480?-543) - 11th July

Benedict was born of a distinguished family in central Italy, studied at Rome and early in life was drawn to the monastic life. At first he became a hermit, but then he had an idea of gathering various families of monks into one "Grand Monastery" to give them the benefit of unity, fraternity, permanent worship in one house. Finally he began to build what was to become one of the most famous monasteries in the world—Monte Cassino.

The Rule that gradually developed prescribed a life of liturgical prayer, study, manual labour and living together in community under a common father. Benedictine asceticism is known for its moderation, and charity. Today the Benedictine family is represented by two branches: the Benedictine Federation and the Cistercians.
